Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   - AJN continued to review projects and assets located in the Democratic Republic of the Congo (DRC).
   - With the new DRC Government in place, AJN management has travelled regularly to Kinshasa, DRC and has had meetings and discussions with respect to the memorandum of understanding (MOU) which was announced on February 8, 2022.
   - AJN is waiting on timing of when AJN can do additional work on its Salts Wells lithium project in Nevada. The Company is currently assessing access to the property.

2. Provide a general overview and discussion of the activities of management.

   - On the 19 April 2022, the Democratic Republic of Congo endorsed the MOU signed on the 4 February 2022 and approved the relationship between the DRC State and AJN resources. The assets under review which will be made available to AJN Resources via Congo Ressources SAU include highly prospective gold exploration licenses mostly within the Kilo-Moto Gold Belt, (which hosts Barrick's Kibali Gold Mine) and Lithium Licenses in the Manono sector. The Company is in process of engaging legal counsel to ensure that there are no encumbrances associated with the northern Manono licence area should this be included in the Congo Ressources portfolio.
   - Pursuant to the MoU with the DRC, AJN can secure a direct 100% interest in the selected tenements via the transfer, to AJN, of all the State's shares in Congo Ressources SAU. In exchange for the transfer, AJN will issue to the State that number of common shares in AJN's capital which is equal to sixty percent (60%) of the fully-diluted issued and outstanding common shares of AJN immediately after the closing of the transaction.
