Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   Seahawk continues to focus its attention on its 100% owned mineral properties in the Urban-Barry Greenstone Belt region within the Abitibi sub-province, Quebec, Canada.
   Due to the current Covid-19 situation, all planned exploration activities are being conducted accordingly, and will be communicated to shareholders, in the form of Corporate Updates and future news releases.
   Furthermore, a decision will be made in due course regarding the agreement with Sama Resources Inc. to possibly acquire certain projects located in Liberia, Africa (news May 4, 2021).

2. Provide a general overview and discussion of the activities of management.

   Management continues to review the data base and is currently looking to formulate plans for the next exploration program on our properties.
   January/February work programs on the 100% owned Blitz property has covered both line-cutting and induced polarization surveys over 8 grids to evaluate priority gold targets with a view to conduct further work into the spring and summer months, and additional work programs will be conducted on the Touchdown property as well. Results of these surveys on the Blitz property should be made available to Seahawk shortly (see news release dated February 1, 2022)
