FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: WESTMOUNT MINERALS CORP. (the "Issuer").

Trading Symbol: CSE: WMC

Number of Outstanding Listed Securities: 19,334,001

Date: January 9, 2023

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered, nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the fall of 2022, the Company's geological team commenced and completed an initial prospecting and mapping program on the Otatakan and East Pilot lithium properties which are located within the Red Lake Mining Division of northwestern Ontario near Ear Falls.

(The Properties are to the southwest of Green Metals Technology ("GT1") Root Lithium property where a 24,000 meter drilling program for resource definition has commenced.)
Due to logistics and the onset of winter, minimal sampling was undertaken, however the Company was able to map some pegmatite outcrops and is in process of planning a property re-visit in the spring to sample these outcrops.

Compilation of all available data available for the Douay east gold project continues and plans for a drilling campaign in 2023 are underway.

2. Provide a general overview and discussion of the activities of management.

   Management continues to evaluate other prospective mineral projects that may be available to the Company. Due to a change of business strategy by the Company's auditor, the Company has changed auditing firms.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

   See (1), (2) above
