All documentation supporting an eligibility request must be submitted in final form, using the ISIN Eligibility application, and must be received by 12h00 ET, two (2) business days prior to the closing date of the issue, or the effective date of the corporate action event, as applicable. Failure to provide documents in final form, and/or accurate disclosure with respect to the certification of the security, may result in delays to settlement and/or corporate action processing of the security in CDSX, may jeopardize the security's eligibility, and may result in the assessment of late fees to the request.

Toute la documentation justificative définitive des demandes d'admissibilité doit être transmise au moyen de l'application d'admissibilité d'ISIN, et ce au plus tard à midi, heure de l'Est, deux (2) jours ouvrables avant la date de clôture de l'émission ou la date de prise d'effet de l'événement de marché, selon le cas. L'omission de fournir la documentation justificative définitive ou l'information exacte quant à la certification du titre peut donner lieu à des retards dans le règlement ou le traitement des événements de marché au CDSX, compromettre l'admissibilité du titre et donner lieu à l'imposition de frais de demande tardive.
