TREE OF KNOWLEDGE INTERNATIONAL CORP. ANNOUNCES WORLD RENOWNED DR. SANJAY GUPTA JOINS ADVISORY BOARD

Toronto, ON, July 18, 2018 – Tree of Knowledge International Corp. **(CSE:TOKI; OTC:TRKWF**) (the "**Company**" or "**TOK**") (formerly Courtland Capital Inc.) is pleased to announce that world-renowned Dr. Sanjay Gupta has joined its world class Advisory Board.

Dr. Sanjay Gupta

Dr. Sanjay Gupta is perhaps one of the most well-known medical professionals worldwide, and is one of the most recognized and influential leaders in his field. In addition to serving as President of DrCircle.com, he has appeared on various television platforms and as the Director of Health Time TV, comprised of more than 160,000 medical professionals. He is a Harvard trained pain specialist and President of the American Pain Association, as well as an outspoken proponent of medical marijuana and it's role in fighting the opioid epidemic. He has received several awards including Top Docs Awards, Michiganian of the Year Award and Best resident physician Award.

Dr. Gupta joins Dr. Michael Smatt, Joy Beckerman, Christopher Kaplan and Ambassador Jack Brewer on the Company's Advisory Board. The mandate of the Advisory Board is to serve as a strategic resource for the Company to advise on healthcare outreach initiatives surrounding CBD and the furtherance of educating both patients and athletes and support the Company's overall mission.

Michael Caridi, Chairman and CEO of the Company stated: "We have truly built a world class advisory board with the addition of Dr. Sanjay Gupta. His leadership, knowledge and influence will be a tremendous asset to the Company. Each of our Advisory Members brings specialized talents, skills and influence which will be instrumental in the Company achieving its goals of becoming a dominant global brand. Having someone such as Dr. Gupta join our Advisory Board speaks volumes and reinforces our commitment to creating best in class products and being at the forefront in innovation in this rapidly evolving field."

ABOUT TREE OF KNOWLEDGE

The Company produces and sells hemp-based cannabidiol ('CBD") products in certain jurisdictions in the United States, as well as in Europe, South America, Australia and China. Cannabidiol/CBD is a natural constituent of hemp which is purported to contain wellness properties. TOK's CBD product line contains EVR Premium Hemp Oil, which is an organically grown and handled, gluten-free, vegan, non-GMO, synergistic compound that is derived from U.S. Department of Agriculture (USDA) approved industrial hemp grown in the United States. TOK currently offers several CBD products, which may be used in connection with the treatment of a number of ailments and for general wellness purposes.
