VANCOUVER, July 9, 2019 /CNW/ - THC BioMed Intl Ltd. ("**THC BioMed**", or the "**Company**") (CSE: THC) is pleased to announce that it has received Health Canada's approval to proceed with production in 3 additional strata lots at its flagship location on Acland Road in Kelowna B.C.

"The granting of the 3 additional Strata lots will actually double our approved growing space and makes a significant change for THC BioMed. This is a major milestone," said John Miller, President and CEO of THC BioMed.

THC BioMed has also submitted an application to Health Canada for an oil license in preparation to launch its cannabis beverage currently under development. Please visit our website www.thcbiomed.com for more information.
