

BIGG Digital Assets Inc. subsidiary Netcoins Launches Support for Canadian Dollar-Backed QCAD Stablecoin by Stablecorp (3iQ and Mavennet Systems)

February 11, 2019

NEWS RELEASE

CSE: BIGG

VANCOUVER, February 11, 2019 - **BIGG Digital Assets Inc. ("BIGG" or the "Company")**(CSE: **BIGG**; OTCQB: **BBKCF**; WKN: **A2PS9W**), owner of Netcoins (netcoins.ca), a leading Canadian cryptocurrency trading platform, is pleased to announce that it has launched support for Stablecorp's new Canadian dollar-backed QCAD effective immediately via its OTC trading desk and Netcoins.app trading platform.

Canada Stablecorp Inc. is a joint venture between 3iQ, Canada's largest crypto asset manager and Mavennet Systems, a leader in blockchain development. QCAD is Stablecorp's first product release and is a digital asset with the stability of the Canadian dollar. It is built on the Ethereum blockchain by utilizing the ERC-20 standard and enjoys the full benefits of enabling seamless settlement and full traceability. Stablecorp plans to extend the asset to other networks in the future.

QCAD is the first Canadian dollar stablecoin designed for the mass market, according to Jean Desgagne, CEO of Canada Stablecorp, "Canada can now be included as a country that is addressing the digitization of traditional currencies and providing a robust payment and settlement solution. QCAD represents a significant opportunity to set a new standard of transparency and auditability in digital currencies and will help drive trust and mass adoption of stablecoins."

"Netcoins is absolutely thrilled to be part of this historic moment in Canadian finance. The ability to send and receive Canadian Dollars around the world instantly via QCAD, with almost zero fees, or limits, is an absolute game-changer. Netcoins main goal is to help Canadians learn about and access digital currencies, and partnering with Stablecorp on the QCAD launch aligns perfectly with this goal," said Mitchell Demeter, President of Netcoins.

About BIGG Digital Assets Inc.

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Blockchain Intelligence Group (blockchaingroup.io) and Netcoins (netcoins.ca).

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified[®] software at the heart of its platform and enables crypto transactions via retail locations globally, a self-serve crypto brokerage portal and an Over-The-Counter (OTC) trading desk.

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUE[™], enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified[®], offers a “risk score” for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

Forward-Looking Statements:

Certain statements in this release are forward-looking statements, which include completion of the search technology software and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. Important factors that could cause actual results to differ materially from BIGG’s expectations include, consumer sentiment towards BIGG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or

otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.

The CSE does not accept responsibility for the adequacy or accuracy of the content of this Press Release.
