**NEWS RELEASE**  
**CSE: BIGG**

**BLOCKCHAIN INTELLIGENCE GROUP ENGAGES FINANCIAL SECTOR VETERAN TERESA ANAYA AS DIRECTOR OF FINANCIAL INSTITUTION STRATEGY, AND PROMOTES SENIOR DEVELOPER MARTY ANSTEY TO CTO**

**Vancouver, Canada - BIG Blockchain Intelligence Group Inc.** (CSE:BIGG) (OTC:BBKCF) (WKN:A2JSKG) (“BIG” or the “Company”), a developer of Blockchain technology search and data analytics solutions, is pleased to announce it has engaged 25+ year financial sector veteran Ms. Teresa Anaya as Director of Financial Institution Strategy, and has promoted 20+ year technology veteran and BIG’s former Senior Developer Marty Anstey to the position of CTO (Chief Technology Officer).

*“As we undergo rapid internal expansion over the next several months, it’s vital to our on-going success that we strategically fill core positions with the very best candidates possible,”* said BIG CEO, Lance Morginn. *“which is why we’re fortunate to be welcoming Teresa to our team, and to have Marty stepping up to the role of CTO. After guiding multiple successful start-ups, you develop an eye for spotting the star players that will make a team world class, and I’m happy to say Teresa and Marty both fit that bill and more. Most important, even beyond their years of expertise, is the commitment they’ve both demonstrated to ensuring BIG brings trust to this new era of money.”*

**About Teresa Anaya**

Ms. Anaya’s career has spanned a period of over 25 years, with focus in fraud, money laundering and terrorist financing investigations. Ms. Anaya draws her extensive knowledge and experience from her work performing investigations for the FDIC during the financial crisis, as well as from her time with global banks: Standard Chartered Bank and Bank of America. Her area of expertise is within the financial institution vertical, specific to fraud, anti-money laundering (AML) and terrorist financing. Her interest in cryptocurrency was directly related to the cryptocurrency investigations she performed for Standard Chartered. Aware of the need to understand the technology behind the compliance programs, Ms. Anaya took on the role of Project Manager at Bank of America working with the agile teams developing a proprietary ‘Know Your Customer’ (KYC) suite of applications. In addition, she worked with MoneyGram International to expand the KYC and IDSCAN tools globally. Ms. Anaya’s experience will provide invaluable financial institution insight as BIG develops products and services tailored for Financial Institutions and Money Service Businesses. Ms. Anaya will help financial institutions utilize BIG’s proprietary tools – Bit Rank Verified and QLUE – to easily establish a risk model, and to investigate and report on suspicious cryptocurrency transactions. Ms. Anaya’s professional qualifications include: Certified Fraud Examiner, Certified Anti-Money Laundering Specialist, ITIL 3 Certified and Certified Bitcoin Professional.

**About Marty Anstey**

Mr. Anstey is a co-founder of BIG. He has over 20 years of systems administration and programming experience; and designed and built all the original software that serves as the foundation for BIG’s suite of tools, including QLUE and BitRank. He enjoys complex challenges and solving problems with big data intelligence and analytics, making him an ideal fit for his former position as BIG’s Senior Developer of Bitcoin and cryptocurrency analysis tools, algorithms and custom blockchain software solutions. In his new position as CTO, Mr. Anstey’s role will expand to include continually evolving BIG’s strategic technical direction while ensuring the Company’s suite of security and analytics tools continues to be the standard in the emerging cryptocurrency space. Mr. Anstey is a Certified Bitcoin Professional.

## **Grant of Stock Options**

The Company announces that, pursuant to its stock option plan and subject to regulatory approval, it has granted 500,000 options to directors, officers, consultants and employees at an exercise price of \$1.00 per share for a term of five years. The securities represented by this grant will be subject to a four-month hold period.

On behalf of the Board,

***“Lance Morginn”***

### ***Forward-Looking Statements:***

*Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. Many of these risks and uncertainties are beyond the control of the Company, including but not limited to, the future business operations of BIG. Important factors that could cause actual results to differ materially from BIG’s expectations include, consumer sentiment towards BIG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in the news release are made as of the date of this news release, and the Company does not undertake any obligations to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.*
