

## **BIGG Digital Assets Inc. Subsidiary Netcoins Announces Daily Revenue Grew 54% Month over Month in February 2021**

**March 2, 2021**

NEWS RELEASE

**CSE: BIGG**

VANCOUVER, March 2, 2021 - **BIGG Digital Assets Inc. ("BIGG" or the "Company")**(CSE: **BIGG**; OTCQX: **BBKCF**; WKN: **A2PS9W**), owner of Netcoins (Netcoins.ca) ("Netcoins"), the online cryptocurrency brokerage that makes it easy for Canadians to buy, sell, and understand cryptocurrency, is pleased to announce that February 2021 daily revenues grew by an impressive 54% Month over Month (MoM), and trading volumes set another consecutive monthly record.

Further, Netcoins would like to update shareholders with the following key metrics from February:

- Monthly revenues hit a new record high of ~\$1.25 million
- Monthly Active Users has grown by 41% MoM
- Assets Under Custody (AUC) has grown 69% MoM
- Daily verified users (full KYC) grew by 49% MoM
- Trading margins continue to track above 1%

Netcoins president, Mitchell Demeter, remarks "*Despite February being a shorter month, Netcoins has continued to grow at an exceptionally fast pace. We are encouraged by all major metrics, particularly new customer onboarding - which increased by nearly 50% daily - which is the engine for future revenue and trading volume growth. As we head into March, we will continue to expand our marketing programs. I look forward to updating shareholders on our progress again soon.*"

### **About BIGG Digital Assets Inc.**

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Netcoins (netcoins.ca) and Blockchain Intelligence Group (blockchaingroup.io).

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified<sup>®</sup> software at the heart of its platform and facilitates crypto trading via a self-serve crypto brokerage portal at Netcoins.app.

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUE<sup>™</sup>, enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified<sup>®</sup>, offers a “risk score” for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

### **Forward-Looking Statements:**

Certain statements in this release are forward-looking statements, which include completion of the search technology software and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. Important factors that could cause actual results to differ materially from BIGG’s expectations include, consumer sentiment towards BIGG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.
