

## **BIGG Digital Assets Inc. Subsidiary Blockchain Intelligence Group provides ExDD Report (Exchange Due Diligence Report), and Proof of Reserve for BitBuy**

**July 13, 2020**

NEWS RELEASE

**CSE: BIGG**

VANCOUVER, July 13, 2020 - **BIGG Digital Assets Inc. ("BIGG" or the "Company")**(CSE: **BIGG**; OTCQB: **BBKCF**; WKN: **A2PS9W**), owner of Blockchain Intelligence Group (blockchaingroup.io) ("BIG"), a leading developer of blockchain technology search, risk-scoring and data analytics solutions, is pleased to announce that it has completed a third party due diligence report and financial audit on the Digital Asset platform operated by Bitbuy Technologies.

The ExDD report incorporates an entity review, transactional analysis, and proof of reserve showing that Bitbuy is adhering to its corporate policies and compliance objectives. Bitbuy has met the criteria of having 97% of customer funds outlined in their corporate policy secured in cold storage with Knox Custody Solutions and are ensuring the safety and security of customer funds.

Adam Goldman, founder of Bitbuy added "We're proud that this is our second Proof of Reserve report that will be made publicly available. Conducting a third-party Proof of Reserves is an important process that we feel more platforms should be doing, to ensure they are handling their client's assets the way they say they are. For us, transparency is critical for our clients and partners to feel safe and secure when working with Bitbuy."

BIG's President, Lance Morginn, commented, "*We are pleased to be the trusted platform that Virtual Asset Service Providers can turn to for an unbiased third-party assessment. Customer's safety and security is of the utmost importance in the Virtual Asset space as we continue to see rapid growth all over the world. BIG is here to ensure that this continues to be the case and have a way to recognize who the leaders are in the industry.*"

### **About BIGG Digital Assets Inc.**

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Blockchain Intelligence Group (blockchaingroup.io) and Netcoins (netcoins.ca).

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUE™, enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified®, offers a “risk score” for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified® software at the heart of its platform and enables crypto transactions via retail locations globally, a self-serve crypto brokerage portal and an Over-The-Counter (OTC) trading desk.

### **Forward-Looking Statements:**

Certain statements in this release are forward-looking statements, which include completion of the search technology software and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. Important factors that could cause actual results to differ materially from BIGG’s expectations include, consumer sentiment towards BIGG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.
