SRANAN GOLD

PRESS RELEASE

SRANAN GOLD Announces Senior Leadership Changes

EDMONTON, AB, CANADA – April 7, 2026 – Sranan Gold Corp. (CSE: SRAN) (OTCQB: SRANF) (FSE & Tradegate: P84) ("Sranan" or the "Company") is pleased to announce that Mr. Jonathan Yan, CPA, CA has been appointed as Chief Financial Officer and Company Secretary, replacing John Alcock who has resigned as Chief Financial Officer and Director of Sranan. Mr. Alcock will continue to assist the Company during the transition.

Mr. Yan brings over 13 years of experience in financial reporting, including a decade in public accounting. He specializes in management advisory services and the financial disclosure needs of public companies. In addition to his role with Sranan, Mr. Yan serves as CFO for several TSXV and CSE-listed companies.

Sranan welcomes Mr. Yan to the role and looks forward to his contributions to Sranan's continued growth and success.

About Sranan Gold

Sranan is engaged in the business of mineral exploration and the acquisition of mineral property assets in Suriname. The Company's flagship Tapanahony Project covers 29,000 hectares in one of Suriname's most prolific artisanal gold mining districts and Sranan recently announced the acquisition of the 18,468-hectare Lawatino Project situated in southeastern Suriname along the Central Guiana Shear Zone.

Forward-looking Statements

Certain statements in this release constitute "forward-looking statements" or "forward-looking information" within the meaning of applicable securities laws including, without limitation, the timing, nature, scope and details regarding the Company's exploration plans and results at its projects. Such statements and information involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company, its projects, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. Such statements can be identified by the use of words such as "may", "would", "could", "will", "intend", "expect", "believe", "plan", "goal", "anticipate", "estimate", "scheduled", "forecast", "predict" and other similar terminology, or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. These statements reflect the Company's current expectations regarding future events, performance and results and speak only as of the date of this release. Further details about the risks applicable to the Company are contained in the Company's public filings available on SEDAR+ (www.sedarplus.ca), under the Company's profile.

Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the timing of exploration activities including drilling, the results of exploration activities, the realization of resource and reserve estimates, metal prices, taxation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.
