

News Release: LOTTOGOPHER HOLDINGS INC.

Bravio Enters Into An LOI With The Global Payment And Fintech Company XTM Inc.

VANCOUVER – September 19, 2019 - LottoGopher Holdings Inc. ("**LottoGopher**" or the "**Company**") (CSE: **LOTO**) (OTCQB: **LTTGF**) (Frankfurt: **2LG**) is pleased to announce that pursuant to its April 29th Shareholders Meeting wherein all motions put forth, including the resolution approving the acquisition of Bravio Technologies Inc. ("**Bravio**"), were approved.

Bravio has entered into a non-binding LOI ("**Letter of Intent**") with the Canadian digital payment and ecommerce provider XTM INC ("**XTM**"). The engagement permits the parties to approve binding terms (the "**Heads of Terms**") and subsequently integrate XTM's sophisticated mobile wallet and pre-paid debit cards into Bravio's global eco system, offering same day fulfilment. Bravio's global customers will now have access to funds on a prepaid customised Mastercard or Visa cards as XTM's mobile wallet supports various currencies including multiple crypto currencies.

Through a simple API integration, XTM will connect Bravio to its powerful Payment Application and Web platform enabling players "immediate transactions" to a customised prepaid card allowing players to benefit from real-time access to their funds. Bravio will create its own "Payment Card Global Network".

Bravio's CEO Paul Carroll added, "*The digital entertainment industry has a growing demand for instant payment and settlement solutions, at Bravio we specifically need to meet and maintain global banking compliance. XTM's pre-paid cards will allow Bravio the option to transfer client winnings securely, directly to our customer's Visa or Mastercard's. With XTM onboard, Bravio will have the added option of creating our own Payment Card Network, we will be able to track and reconcile fund disbursements regardless of our customers location, transaction amounts or their currency of choice. The pre-paid card encompasses Bravio's entire ecommerce value chain and it offers Bravio the option to offer customers a "bonus cash" loyalty program. Also, the onboarding of a crypto currency transaction gateway is a fantastic value add as it supports our crypto sales strategy. We are delighted to take this opportunity to form a partnership with XTM as their expertise and innovation across global payment's and banking will result in strengthening Bravio customer retention strategy. We trust that this LOI will lead to an ongoing and mutually beneficial partnership.*"

The LottoGopher – Bravio RTO Update:

During the April 29, 2019, Shareholders Meeting all motions put forth, including the resolution approving the acquisition of Bravio Technologies (the "**RTO Transaction**"), were approved as more particularly described in the Company's management circular dated April 3, 2019 - a copy of which is available under LottoGopher's profile on SEDAR at www.sedar.com

The Company wishes to thank its shareholders for their patience and ongoing support of the RTO with Bravio. Once the Company's audit and its current financing is complete, Lottogopher intends to update the market with a Qualifying Transaction closing timeline. The Company anticipates the group audits and current financing will conclude the week commencing September 30, 2019.

Forward-Looking Statement

This news release contains statements and information that, to the extent that they are not historical fact, constitute "forward-looking information" within the meaning of applicable securities legislation. Forward-looking information may include financial and other projections, statements regarding expansion plans, as well as statements regarding future plans, objectives or economic performance, or the assumption underlying any of the foregoing. Statements in this news release relating to the Company's proposed change of business are forward-looking information. Forward-looking information is based on the reasonable assumptions, estimates, analysis and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect.

Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information. In respect of the Company's plans to pursue a change of business, risks would include the ability of the Company to obtain additional financing on acceptable terms. Accordingly, readers should not place undue reliance on any such forward-looking information. Further, any forward-looking statement speaks only as of the date on which such statement is made. New factors emerge from time to time, and it is not possible for the Company's management to predict all of such factors and to assess in advance the impact of each such factor on the Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. The Company does not undertake any obligation to update any forward-looking information to reflect information, events, results, circumstances or otherwise after the date hereof or to reflect the occurrence of unanticipated events, except as required by law including securities laws.

The CSE has in no way passed upon the merits of the Transaction and has neither approved nor disapproved the contents of this news

release. Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
