

## **BIGG Digital Assets Announces Change of Auditor**

**September 10, 2021**

NEWS RELEASE

**CSE: BIGG**

VANCOUVER, September 10, 2021 - **BIGG Digital Assets Inc.** ("**BIGG**" or the "**Company**") (CSE: **BIGG**; OTCQX: **BBKCF**; WKN: **A2PS9W**), owner of Netcoins ([Netcoins.ca](https://netcoins.ca)) ("Netcoins"), the online cryptocurrency brokerage that makes it easy for Canadians to buy, sell, and understand cryptocurrency, and Blockchain Intelligence Group ([blockchaingroup.io](https://blockchaingroup.io)) ("BIG"), a leading developer of blockchain technology search, risk-scoring and data analytics solutions, announces that Manning Elliott LLP has resigned as the Company's auditor effective September 7, 2021, on the former auditor's own initiative. BIGG is evaluating a successor auditor.

There are no reportable events, "disagreements" or "unresolved issues" (as those terms are defined in National Instrument 51-102 *Continuous Disclosure Obligations*) in connection with the change of auditor.

"Regrettably, Manning Elliott LLP, the Company's auditor since 2017, has decided that it will no longer provide audit services to companies operating in the cryptocurrency industry. BIGG is in discussion with other firms and seeks to engage a successor auditor as soon as possible. Given the size of the Company's revenues, its strong balance sheet, and the interest of retail and institutional investors, we believe a larger audit firm would be a benefit" commented Mark Binns, CEO.

### **About BIGG Digital Assets Inc.**

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Netcoins ([netcoins.ca](https://netcoins.ca)) and Blockchain Intelligence Group ([blockchaingroup.io](https://blockchaingroup.io)).

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified® software at the heart of its platform and facilitates crypto trading via a self-serve crypto brokerage portal at [Netcoins.app](https://netcoins.app).

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUÉ™, enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified®, offers a “risk score” for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

**Forward-Looking Statements:**

Certain statements in this release are forward-looking statements, which include completion of the search technology software and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. Important factors that could cause actual results to differ materially from BIGG’s expectations include, consumer sentiment towards BIGG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.
