NEWS RELEASE

Healthspace Announces Contract with Lapeer County Health Department

VANCOUVER, BC – July 7, 2016 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce that it has signed its 12th local health department in the State of Michigan. The Company has signed a three year contract, with renewal options, with the Lapeer County Health Department (“Lapeer County”), located in Lapeer, Michigan. Lapeer County is one of 45 local health departments in the State of Michigan. The value of the contract is USD\$25,880.

“We are very pleased to have been selected by Lapeer County,” commented Joseph Willmott, President. “Healthspace is now the dominant software and service provider in the State of Michigan.”

About Healthspace Data Systems Ltd.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
