Name of Listed Issuer: **PASINEX RESOURCES LIMITED** (the "Issuer")

Trading Symbol: **PSE**

Number of Outstanding Listed Securities: **144,554,370**

Date: **October 2020**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non- promotional.

General Instructions

- a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Pasinex Resources Limited is a Toronto-based mining company which owns 50% of the producing Pinargozu high grade zinc mine and, under a Direct Shipping Program, sells to zinc smelters / refiners from its mine site in Turkey. The Company also holds an option to acquire 80% of the Spur high-grade zinc exploration project in Nevada. Pasinex has a strong

technical management team with many years of experience in mineral exploration and mining project development.

2. Provide a general overview and discussion of the activities of management.

Mine production continues at the Pinargozu mine in Turkey. Production is now on a two-shift per day basis. Production is estimated at about 1,000 tonnes of oxide ore each month.

Production continues despite the current issue of COVID-19 within Turkey and the world. The Pinargozu mining operation has continued to operate with strict health protocols as part of its response to COVID-19 concerns. These protocols aim to keep workers healthy and keep the work-place healthy and include regular health checks, enhanced cleaning and regular safety talks on COVID-19 within the workplace.

Turkey has also responded positively and assertively to the COVID-19 issue. Borders are closed, curfews implemented for the most vulnerable, travel is restricted, and gatherings are restricted.

Management has continued its contact with senior executives of the Kurmel Group during 2020. In September 2020 the joint venture underwent certain management changes that occurred as a result of these continued discussions. Those management changes include the appointment of Pasinex AS employees in the roles of acting Managing Director of Horzum AS and acting Exploration Manager of Horzum AS. Pasinex continues to work toward resolving the financial issues and debts owed by Horzum AS.
