Presentations will be accessible in the investor relations section of BioMark's website after the conferences.

About RESI

The Redefining Early Stage Investments (RESI) conference series connects start-ups and early-stage investors and strategic channel partners. RESI maximizes fundraising companies' efforts to find partners who are a fit for their technology and stage of development. RESI is uniquely cross-border and cross-domain, connecting start-ups with global investors across the silos of drugs, devices, diagnostics and digital health. RESI is a unique and powerful tool for sourcing assets and advancing innovation across early-stage life science and healthcare. The Life Science Nation organization (LSN) based in Boston, Massachusetts is organizing Digital RESI JPM 2022.

About Biotech Showcase

Biotech Showcase is an investor and networking conference devoted to providing private and public biotechnology and life sciences companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place. Investors and biopharmaceutical executives from around the world gather at Biotech Showcase during this bellwether week which sets the tone for the coming year. Biotech Showcase is produced by Demy-Colton and EBD Group. Both organizations have a long history of producing high-quality programs that support the biotechnology and broader life sciences industry.

About BioMark Diagnostics Inc.
