NEWS RELEASE

Healthspace Announces Contract with Hastings & Prince Edward Public Health

VANCOUVER, BC – July 11 , 2016 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce the signing of a three year Agreement with renewal options for the installation and maintenance of *HealthSpace Health Protection Inspection Software and Service* with Hastings & Prince Edward Public Health. Hastings & Prince Edward Public Health is one of 36 public health units in Ontario and covers the continuum of environmental public health including: food protection, drinking water quality, on site wastewater disposal, indoor air quality, epidemiology, tobacco reduction, communicable diseases and many other environmental health initiatives. The contract is valued at \$64,160.

“Healthspace continues to receive interest from other Ontario health units after four successful deployments,” commented Joseph Willmott, President. “We anticipate further success in Ontario in the near future.”

About Healthspace Data Systems Ltd.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
