

BIGG Digital Assets Inc. Announces OTCQB Listing

November 13, 2019

NEWS RELEASE

CSE: BIGG

VANCOUVER, November 13, 2019 - **BIGG Digital Assets Inc. ("BIGG" or the "Company")**(**CSE: BIGG; OTCQB:BBKCF; WKN: A2PS9W**), owner of Blockchain Intelligence Group (blockchaingroup.io) and Netcoins (Netcoins.app), today announced that its common shares have commenced trading on the OTCQB® Venture Market, under the symbol BBKCF. The Company believes that trading on the OTCQB, along with the DTC eligibility it previously secured, will provide additional liquidity and exposure amongst U.S. investors.

The OTCQB Venture Market offers early-stage and developing companies the benefits of being publicly traded in the U.S. with low cost and complexity. Investors benefit from convenient trading through their preferred broker or financial advisor, transparent pricing with real-time quotes, and trusted disclosure that is made broadly available to broker-dealers and market data providers. Investors can find information and trading statistics on BIGG Digital Assets Inc. at <https://www.otcmarkets.com>.

"Crypto and blockchain are global in nature, and particularly for our Blockchain Intelligence Group subsidiary, there are only a handful of competitors globally. It is exceedingly important that the BIGG investment opportunity is easily accessible to the US investor seeking participation in the future of crypto and blockchain forensics on a global scale," said Mark Binns, CEO of BIGG.

The Company's shares will continue to be listed on the Canadian Securities Exchange (CSE) under the ticker symbol "BIGG", as well as on the Frankfurt Stock Exchange under the securities identification code "A2PS9W".

About BIGG Digital Assets Inc.

BIGG Digital Assets Inc. (BIGG) believes the future of crypto is a safe, compliant, and regulated environment. BIGG invests in products and companies to support this vision. BIGG owns two operating companies: Blockchain Intelligence Group (blockchaingroup.io) and Netcoins (gonetcoins.com).

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUE™, enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified®, offers a “risk score” for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified® software at the heart of its platform and enables crypto transactions via retail locations globally, a self-serve crypto brokerage portal and an Over-The-Counter (OTC) trading desk.

Forward-Looking Statements:

Certain statements in this release are forward-looking statements, which include completion of the search technology software and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, and other factors, many of which are beyond the control of BIGG. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. Undue reliance should not be placed on the forward-looking information because BIGG can give no assurance that they will prove to be correct. Important factors that could cause actual results to differ materially from BIGG’s expectations include, consumer sentiment towards BIGG’s products and Blockchain technology generally, technology failures, competition, and failure of counterparties to perform their contractual obligations.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, BIGG disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, BIGG undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.
