

Redfund Portfolio Client Mary's Wellness Steeping Full Speed Ahead!

Heating Up Busy Christmas Season With Three Female Speakers at Vancouver O'Cannabiz 2018

Vancouver, British Columbia, December 6th 2018 - Redfund Capital Corp (CSE: LOAN) (Frankfurt: O3X4) (OTC: PNNRF) ("Redfund" or the "Company") highlights tremendous speaking engagements to close out 2018.

O'Cannabiz Conference and Expo: Vancouver December 10th and 11th 2018

O'Cannabiz is a gathering of the people putting Canada on the worldwide cannabis industry map and creating momentum in a new marketplace. One of the keynote speakers is Montel Williams. He is one of the highest profile advocates for cannabis in the USA. He has used cannabis products to effectively manage the symptoms of his chronic illness since his diagnosis in 1999. As a military veteran, over the past two decades, he has worked to pass cannabis legislation in key states and led the push for military veterans to access medical cannabis without the threat of losing benefits. www.ocannabiz.com

Virginia Vidal, CEO of Mary's Tea, will be speaking on the edibles, infused foods and beverages, hurdles and rewards as a head panelist.

Amanda De Freitas, Redfund Director and Meris Kott, Redfund CEO and Director are discussing the future of cannabis currency and the ability to digitally track supply chains, sales and transactions.

"O'Cannabiz is more about medical cannabis than any other show and it is what differentiates Redfund from other funders as we are focused on financing medical cannabis. For Virginia Vidal, this has never been about a job, and it was more of a calling from the beginning to help others who could benefit from her medicinal infused tea. We look forward to supporting her team into 2019. As we close out the year, this is just one more milestone we have reached, 3 women all involved with Redfund speaking at a cannabis event." stated Meris Kott, CEO, Redfund Capital Corp.

About Redfund Capital

Redfund intends to provide debt and equity funding in the mid-to-late stages of a target company's development, or in technologies that are developed and validated by revenues. The present focus of the merchant bank is on medical cannabis, hemp and CBD-related, healthcare-related target companies.
