

# PreveCeutical Enters into Credit Facility Agreement

Vancouver, British Columbia--(Newsfile Corp. - July 22, 2022) - **PreveCeutical Medical Inc.** (CSE: PREV) (OTCQB: PRVCF) (FSE: 18H) (**the "Company" or "PreveCeutical"**), announces that it has entered into a \$3 million credit facility agreement with the Company's Chief Executive Officer and Chair, Stephen Van Deventer, and the Company's former President and director, Kimberly Van Deventer (collectively, the "Lenders").

Effective July 18, 2022, the Company entered into a convertible credit facility agreement with the Lenders in the aggregate principal amount of \$3 million (the "Agreement") with a simple annual interest of 10%, and any outstanding principal and accrued interest being convertible into fully paid and non-assessable common shares in the capital of the Company at a conversion price of \$0.025 per share in accordance with the terms of the Agreement.

Pursuant to the Agreement, the Lenders have consolidated certain outstanding principal and accrued interest for existing credit facilities with the Company, and have transferred an aggregate of \$2,448,785.75 to the Agreement. These credit facilities agreements were terminated effective July 18, 2022. The Lenders have also transferred certain short-term advances totalling \$105,307.15 and amounts payable to Lenders in the amount of \$346,055.82 to the Agreement.

Advances by the Lenders to the Company for the principal balance available under the Agreement will be used by the Company for product development, general corporate, and working capital purposes.

As the Lenders are current and/or former directors and executive officers of the Company (collectively, the "Related Parties"), the Agreement constitutes a related party transaction pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company relied on Sections 5.5(a) and 5.7(1)(a) of MI 61-101 for an exemption from the formal valuation and minority shareholder approval requirements, respectively, of MI 61-101, as, neither the fair market value of the Agreement, nor the fair market value of the consideration for the Agreement, as applicable, exceeded 25% of the Company's market capitalization.

## **About PreveCeutical**

PreveCeutical is a health sciences company that develops innovative options for preventive and curative therapies utilizing organic and nature identical products. The Company aims to be a leader in the preventive health sciences sector.

With the completion of three of its research programs, the Company is actively working on the development, clinical trials, and commercialization of its products. It has filed a number of provisional patent applications to protect the intellectual property from its research programs.

## **Forward-Looking Statements:**

This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation, including the United States Private Securities Litigation Reform Act of 1995. All statements in this news release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations and orientations regarding the future, including, without limitation, the continued research interests of PreveCeutical, PreveCeutical's anticipated business plans, and its prospects of success in executing its proposed plans. Often, but not always, forward-looking statements can be identified by words such as "will", "pro forma", "plans", "expects", "may", "should", "budget", "schedules", "estimates", "forecasts", "intends", "anticipates", "believes", "potential", "proposes" or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Forward-looking statements are based on certain assumptions regarding PreveCeutical, including expected growth, results of operations, including PreveCeutical's research and development activities, performance, industry trends, growth opportunities, that PreveCeutical will be granted requisite expedited approvals by world health, retain and attract qualified research personnel and obtain and/or maintain the necessary intellectual property rights needed to carry out future business activities.

Actual results could differ from those projected in any forward-looking statements due to numerous factors including, risks and uncertainties relating to: complexities and delays in connection with research and development activities and the actual results of research and development activities; the ability of PreveCeutical to, among other things, protect its respective intellectual property, obtain any required governmental, regulatory or stock exchange approvals, permits, consents or authorizations required, including Canadian Securities Exchange acceptance of any planned future activities and obtaining expedited requisite approvals from world health agencies; and the ability of PreveCeutical to commercialize products, pursue business partnerships, complete their research programs as planned, and obtain the financing required to carry out their planned future activities. Other factors such as general economic, market or business conditions or changes in laws, regulations and policies affecting the biotechnology or pharmaceutical industry may also adversely affect the future results or performance of PreveCeutical. These forward-looking statements are made as of the date of this news release and, unless required by applicable law, PreveCeutical assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in these forward-looking statements. Although PreveCeutical believes that the statements, beliefs, plans, expectations, and intentions contained in this news release are reasonable, there can be no assurance that those statements, beliefs, plans, expectations, or intentions will prove to be accurate. Readers should consider all of the information set forth herein and should also refer to other periodic reports provided by PreveCeutical from time-to-time. These reports and PreveCeutical's filings are available at [www.sedar.com](http://www.sedar.com). Neither the Canadian Securities Exchange (CSE or CNSX Markets), its Regulation Services Provider (as that term is defined in policies of the CSE), nor any other regulatory authority accepts responsibility for the adequacy or accuracy of this release.

Any link in this press release to external information or other resources is provided for reference only, and such information or resources might change from time to time, and may include forward-looking statements as described above, and are subject to the above disclaimers under this heading forward-looking statements.

Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements.
