

Bloom Health Partners Announces New Location in Hawaii

New Bloom lab will support operations in the Honolulu area and surrounding region

Vancouver, British Columbia--(Newsfile Corp. - September 14, 2022) - Bloom Health Partners Inc. (CSE: BLMH) (OTCQB: BLMHF) (FSE: D840) ("**Bloom**" or the "**Company**"), a leading provider of operational health and health technology, announces the opening of a new location in the Honolulu area.

The new location provides expanded laboratories for operational health services and diagnostic testing to meet continued demand. Bloom has also added a local team. The Honolulu location will serve film/TV productions in addition to new opportunities with local businesses and organizations in the surrounding area.

"Adding services in Honolulu shows flexibility in our business model," said Andrew Morton, CEO of Bloom. "We've shown the local market in the Hawaiian islands our willingness to bring services directly to them. The clients that brought us to Hawaii are a great baseline for Bloom to prove out a longer term model of support for health services across the United States. We continue to be focused on delivering technology enabled, operational health services to large employers."

The Company also announces that in connection with closing the second tranche of its previously announced non-brokered private placement offering (the "**Offering**") on July 18, 2022, total compensation paid was C\$33,240 and 166,200 compensation options, and not as previously indicated. All securities issued in connection with the Offering are subject to a statutory hold period until November 19, 2022 in accordance with applicable securities laws.
