

# Lode Metals Announces Appointment of Jon Bey as Chief Executive Officer

Vancouver, British Columbia--(Newsfile Corp. - March 15, 2023) - **Lode Metals Corp. (CSE: LODE) (the "Company" or "Lode")** is pleased to announce that Jon Bey has joined the Company as a member of its board of directors and as President and Chief Executive Officer. Mr. Bey is the current Chief Executive Officer of Standard Uranium Ltd. and the Chairman of Ophir Gold Corp. He brings to the Company more than eighteen years of capital markets experience and has been involved in the management of public companies active in multiple sectors globally.

Kenneth Tullar, the former Chief Executive Officer of the Company, will continue with the Company as Chief Operating Officer and will remain a member of the board of directors of the Company. In this capacity, Mr. Tullar is expected to continue to provide his expertise in the ongoing exploration and development of the Cracker Creek Project in Northeastern Oregon.

## About Lode Metals Corp.

Lode Metals is a gold exploration company focused on applying modern exploration techniques integrated with current geological models to the previous producing, high-grade Cracker Creek property located in northeastern Oregon, United States. The Cracker Creek property consolidates the contiguous, high-grade, past-producing Columbia, Eureka, Excelsior and North Pole Mines, collectively the most prolific gold producers in Oregon between 1891 and 1934.

## FORWARD-LOOKING STATEMENTS:

*Certain information in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact included in this news release are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are detailed from time to time in the filings made by the Company with securities regulations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in*

*this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.*
