

Argo Living Soils Corp. Announces Appointment of Robert Intile and Termination of Letter of Intent

Vancouver, British Columbia--(Newsfile Corp. - July 25, 2023) - **Argo Living Soils Corp. (CSE: ARGO) (OTC Pink: ARLSF)** ("**Argo**" or the "**Company**") is pleased to announce that Mr. Robert Intile has joined the board of directors (the "**Board**").

Mr. Intile has a varied background, in management and sales. Mr. Intile held the position of VP Business Development of Superbox Inc., a company listed on the OTC Markets, and has served as director and chairman of the Toronto Dominion Bank Friends of the Environment Foundation, local chapter. Additionally, Mr. Intile has experience raising funds with a company that became First Choice Products Inc. Presently, Mr. Intile is employed by a multi-national company who is a contractor to British Columbia's transit authority. Mr. Intile has completed the Public Companies Financing, Governance and Compliance course from Simon Fraser University.

The Company further advises that Michael Uhm has resigned as a director of the Company and thanks Mr. Uhm for his contributions.

Additionally, further to the Company's news release dated May 4, 2023, the Company announces the termination of its non-binding letter of intent with Jungku Woo.

About Argo Living Soils Corp.

The Company specializes in producing and developing organic products including soil amendments, living soils, bio-fertilizers, vermicompost, and compost tea kits formulated specifically for high value crops. The Company's vision and overall business plan is to create an established brand of organic and/or environmentally friendly products. The Company was founded in 2018 and its production facilities are located on Galiano Island, British Columbia.

Certain information contained herein constitutes "forward-looking information" under Canadian securities legislation. Forward-looking information includes, but is not limited to, the Company creating a brand of organic and/or environmentally friendly products. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "will" or variations of such words and phrases or statements that certain actions, events or results "will" occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as

anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
