LINEAGE SUBMITS APPLICATIONS TO SECURE DISPENSARY LICENSES IN OREGON

Toronto, Ontario – Lineage Grow Company Ltd. (the "**Company**" or "**Lineage**") (**CSE:BUDD**) today announced that the Company has submitted applications to the Oregon Liquor and Cannabis Commission (the "**OLCC**") to secure Marijuana Retailer Licenses (the "**Licenses**") in connection with the previously announced acquisition of Rosebuds Bakery, LLC d/b/a Terpene Station and Brooklyn Holding Co. d/b/a Terpene Station Portland (the "**Terpene Station Acquisition**").

Lineage is engaged in the process of acquiring two retail dispensary locations in Portland and Eugene Oregon with a view towards establishing vertically-integrated cannabis operations focused on serving the premium quality segment of the Oregon craft cannabis market. In accordance with this process, Lineage has submitted two Marijuana Retailer Applications to the OLCC to secure the Licenses. The Licenses would allow the Company to operate the Terpene Station retail dispensaries upon completion of the Terpene Station Acquisition.

Upon approval from the OLCC to operate the Terpene Station dispensaries and satisfaction of other closing conditions, Lineage intends to complete the Terpene Station Acquisition, and to roll-out an integration and performance improvement initiative to maximize value by deploying best-in-class operating procedures and marketing strategies.

Completion of the Terpene Station Acquisition will be subject to satisfactory final completion of due diligence, execution of a definitive agreement, and the approval of the license applications by the OLCC. There can be no assurance that the Terpene Station Acquisition will be completed as proposed or at all.
