

CANNAMERICA “BRAND OF THE FREE” CONCENTRATES NOW AVAILABLE IN MARYLAND

VANCOUVER, October 31, 2018 – CANNAMERICA BRANDS CORP. (“CannAmerica” or the “Company”) (CSE: CANA), is proud to announce the launch of its branded cannabis concentrates in Maryland. These high-quality concentrates are available to dispensaries across the state through CannAmerica’s partnership with FGM Processing LLC (“FGM Processing”), which operates a 7,500 square foot cannabis extraction facility in Charles County, Maryland, and was one of the first extraction licenses in the state.

“We look forward to working with our partners at FGM Processing to increase the medical cannabis product offerings available to Maryland’s patient community, with many new and exciting products being developed in our Maryland cannabis laboratory,” said Dan Anglin, CannAmerica Co-Founder and CEO. “As one of the first fifteen (15) licensed hydrocarbon cannabis processors in the state of Maryland, our terpene-rich product line is based on our many years of experience bringing quality concentrates and distillate formulations to cannabis consumers and patients in Colorado’s regulated marketplace.”

CannAmerica products available to licensed Maryland dispensaries include concentrates, such as the Company’s Rick Simpson Oil (RSO), as well as Full Spectrum Distillate and Disposable Vape Pen lines—both available in Indica, Sativa and Hybrid.

CannAmerica’s top-shelf, genome-specific clear distillate oil is produced through a unique proprietary process held by CannAmerica Brands and provided to its licensees. CannAmerica Brands got its start as a successful gummy brand in Colorado—with over 12 million gummies sold to date—and has since expanded to include licensees and partnerships in Colorado, Nevada and Maryland.
