Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On March 26, 2019, the Company announced a non-brokered private placement for sale of up to 5,000 convertible debenture units (the "Units") at a price of \$1,000 per Unit for aggregate gross proceeds of \$5,000,000 (the "Offering"). Please refer to the press release for further details.

On August 26, 2019, the Company announced a non-brokered private placement for the sale of up to 25,000,000 Units, consisting of one common share and one common share purchase warrant, at a price of \$0.10 per Unit for aggregate gross proceeds of \$1,000,000.

Lynn Mueller, CEO, continues to present the opportunity of Sharc to investors, brokers, funds, etc. to capitalize Sharc for current and future growth.

During August 2019, the Company has done a pivot in its strategic plan and is looking to divest the UK business, moving away from the Energy service company ("ESCO") or design, build, finance operate ("DBFO") model and focus on enhanced commercialization of our OEM model. Please refer to our Q2 2019 Management Discussion and Analysis for further details on these models.

The Company is poised to position itself within this program as a key driver in the fight against reducing greenhouse gas emissions. Mining the energy that flows just beneath our feet is a major step forward in green building technology and could make significant improvements in the environment.

2. Provide a general overview and discussion of the activities of management.

Management continues to pursue its strategic plan to improve all facets of the business. Included in this strategic plan is working towards a capital raise to support its OEM model.
