

Former Mars Petcare Executive Kevin Cole Joins True Leaf as President

*Seasoned Executive from World's Largest Pet Food Company
to Drive Transformative Growth of True Leaf Pet*

VERNON, BC – May 7, 2019 – True Leaf Medicine International Ltd. (“True Leaf” or the “Company”) (CSE: MJ) (OTCQX: TRLFF) (FSE: TLA), a leading global cannabis and hemp wellness brand for pets, today announced the appointment of Kevin Cole as President of True Leaf Pet.

Kevin brings over 20 years of experience in consumer-packaged goods (CPG) to True Leaf as well as considerable expertise in accelerating businesses and brands in the pet industry. Prior to joining True Leaf, he served as Vice President, Marketing for Mars Petcare Canada, one of the globe’s leading food manufacturers and the world’s largest pet food company, owning top pet brands such as PEDIGREE®, IAMS® and ROYAL CANIN®. Previously, he was a marketing executive with GlaxoSmithKline (GSK).

Kevin has led teams on consumer and customer insights, strategic planning, marketing, sales strategy, eCommerce and project management functions. He is credited with leading the explosive growth of WHISKAS® and the cat treat brand TEMPTATIONS®, and while at GSK, laying the foundation for the Sensodyne® brand to become the #1 toothpaste in Canada.

In his new role, Kevin will streamline operations and accelerate growth for True Leaf Pet, which produces, markets, and distributes hemp-based supplements for pets to 3,500 stores worldwide. Kevin

will spearhead the division's growth, focusing first on bringing a legally-compliant CBD product for pets to market. He will also lead efforts to expand True Leaf's store reach worldwide including penetration into Asia, launch a global education campaign on cannabis-for-pets – a new product category – as well as aim to execute the Company's direct-to-consumer strategy.

"Our ability to successfully recruit top talent from the largest pet food company in the world is a testament to True Leaf's vision to become a global leader in the cannabis-for-pets space," said Darcy Bomford, Founder and Chief Executive Officer at True Leaf. "Kevin's proven track record of growing top pet brands will be key to our continued strong growth. With Kevin at the helm of our pet business, we're confident in True Leaf's ability to become a household name in the pet industry like WHISKAS® and TEMPTATIONS®."

"As an animal lover, a pet parent, and longtime pet care executive, I'm committed to finding new opportunities to improve the way we care for our four-legged family members," said Kevin Cole. "I believe plant-based nutrition and specifically cannabis for pets will shape the future of pet care. This is why I joined True Leaf because it is, and will continue to be, the most trusted cannabis-for-pets brand. In this emerging sector, consumer and retailer trust is a key ingredient to explosive growth. True Leaf has set the groundwork with its line of safe, legal and effective hemp-based products for pets. I'm excited to work with the team and lead the category transformation."

Darcy Bomford has resigned as President of True Leaf Pet Inc., but will continue as a director and Chief Executive Officer of True Leaf Pet Inc.

Kevin will join Darcy and Dr. Katherine Kramer, DVM, Founding Chair of True Leaf's Veterinary Advisory Board, this week at Europe's largest pet trade show – Zoomark. The team's participation at Zoomark is part of True Leaf's continued focus to educate international buyers on the therapeutic benefits of hemp for pets.

The Company will be exhibiting in the Canadian Pavilion (Booth A50 in Hall 25) at the BolognaFiere exhibition centre during the expo, May 6-9, 2019, from 9:00 am to 6:00 pm.
