

Newpath Resources Provides Year End Update on Exploration Program at the Alpha/Bravo Project

Vancouver, British Columbia--(Newsfile Corp. - December 20, 2023) - Newpath Resources Inc. (CSE: PATH) (FSE: 0MZ) (OTC PINK: RDYFF) ("**Newpath**" or the "**Company**") is pleased to announce that analytical results have been received from the prospecting program carried out on the Alpha/Bravo project (the "**Project**") during the late summer and fall of 2023. A total of 142 grab and channel rock samples were collected and submitted for analyses. All results have been received by the Company and are being compared with the LIBS (Laser Induced Breakdown Spectroscopy) data and prospectors' field records. Detailed modelling of the trace element data is ongoing, but results are comparable to other early-stage programs searching for lithium in pegmatite host rocks.

The Company is encouraged by the outcome of its 2023 exploration Project at Alpha/Bravo and as a result, issued the final tranche of shares to the vendor. The Company now owns the Project 100% subject to an underlying royalty (See News Release dated December 6, 2023).

Qualified Person

The technical content of this news release has been reviewed and approved by Douglas S. Turnbull, P.Geo., the Company's COO and a "Qualified Person" as defined in National Instrument 43-101 - Standards of Disclosure for Mineral Projects.

Private Placement Financing

The Company also announces that the Company plans to complete a flow-through private placement offering up to \$120,750 by issuance of 1,050,000 common shares (the "**Shares**") at a price of \$0.115 per Share (the "**Offering**").

The proceeds raised from the Offering are expected to be used for exploration. All Shares to be issued pursuant to the Offering will be subject to a four-month hold under applicable securities laws in Canada.

Acknowledgment of First Nations
