

New Break Announces Closing of First Tranche of Private Placement

Toronto, Ontario--(Newsfile Corp. - December 29, 2023) - New Break Resources Ltd. (**CSE: NBRK**) ("**New Break**" or the "**Company**") is pleased to announce that, further to its news release dated December 7, 2023, it has closed the first tranche of the previously announced non-brokered private placement (the "**Offering**") of flow-through units ("**FT Units**") at a price of \$0.10 per FT Unit and non-flow-through units ("**Units**") at a price of \$0.08 per Unit. The closing of the first tranche of the Offering consisted of 1,250,000 FT Units for gross proceeds of \$125,000 and 750,000 Units for gross proceeds of \$60,000.

Each Unit consists of one common share ("**Common Share**") of the Company and one common share purchase warrant ("**Warrant**"), with each Warrant entitling the holder thereof, to purchase one additional Common Share of the Company at a price of \$0.12 for a period of twenty-four (24) months from the date of issuance.

Each FT Unit consists of one common share that will qualify as a "flow-through share" (within the meaning of subsection 66(15) of the Income Tax Act (Canada) (an "**FT Share**") and one common share purchase warrant, with each Warrant entitling the holder thereof, to purchase one additional non-flow-through Common Share of the Company at a price of \$0.15 for a period of twenty-four (24) months from the date of issuance.

The Warrants are subject to an acceleration clause, whereby if the closing price of the Common Shares of the Company on the Canadian Securities Exchange (the "**CSE**") is equal to \$0.25 or higher for five non-consecutive trading days, over a 365-day period, the Company may accelerate the expiry of the Warrants to the date that is 20 business days from the date of the issuance of a news release by the Company announcing the exercise of the acceleration right.

The gross proceeds from the sale of the FT Units will be used for Canadian Exploration Expenses ("**CEE**") and will qualify as "flow-through mining expenditures" as defined in the Income Tax Act (Canada). More specifically, it is expected that these proceeds will be used to fund a planned drilling program at the Company's Moray property, located approximately 49 km south of Timmins, Ontario and 32 km northwest of the Young-Davidson gold mine, operated by Alamos Gold Inc. The net proceeds from the sale of the Units will be used for general working capital purposes. No finder's fees were paid in connection with the closing of the first tranche of the Offering.

All securities issued pursuant to this private placement are subject to a statutory hold period of four months and one day expiring on April 30, 2024, in accordance with applicable Canadian Securities Laws. The completion of the Financing is subject to certain conditions including, but not limited to, the receipt of all required regulatory approvals including final approval of the CSE.

John Ross Quigley, a greater than 10% securityholder and Orix Geoscience 2018 Inc., a geological consulting company, the President and CEO of which, is also a director of New Break (collectively, the "**Related Parties**") purchased a total of 1,000,000 FT Units and 500,000 Units. This issuance of securities constitutes a "related party transaction" as such term is defined under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company is relying on an exemption from the formal valuation and minority shareholder approval requirements provided under MI 61-101 pursuant to section 5.5(a) and section 5.7(1)(a) of MI 61-101, on the basis that the issuance of the securities does not exceed 25% of the fair market value of the Company's market capitalization.

The securities being offered have not been, nor will they be, registered under the United States *Securities Act of 1933*, as amended, and may not be offered or sold in the United States or to, or for the

account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements. This news release will not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the securities in any State in which such offer, solicitation or sale would be unlawful.

About New Break Resources Ltd.

New Break is a Canadian mineral exploration company with a dual vision for value creation. In northern Ontario, New Break is focused on its Moray Project, in a well-established mining camp, within proximity to existing infrastructure, while at the same time, through our prospective land holdings in Nunavut that include the Sundog, Esker-Noomut, Sy and Angikuni Lake properties, we provide our shareholders with significant exposure to the vast potential for exploration success in one of the most up and coming regions in Canada for gold exploration and production. New Break is supported by a highly experienced team of mining professionals committed to placing a premium on Environmental, Social and Corporate Governance. Information on New Break is available under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at www.newbreakresources.ca. New Break began trading on the Canadian Securities Exchange (www.thecse.com) on September 7, 2022 under the symbol **CSE: NBRK**.
