Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Lions Gate is a junior mineral exploration company engaged in the business of acquisition, exploration and evaluation of natural resource properties in North America. At present, Lions Gate is an exploration stage company with no current operating income cash flow or revenues. There is no assurance that a commercially viable mineral deposit exists on any of Lions Gate’s mineral properties. None of its current properties have any known or identified mineral reserves or (other than the Poplar Property) mineral resources.

Lions Gate continues to pursue the acquisition, exploration and evaluation of natural resource properties in North America. Currently in order to conserve its resources it is specifically pursuing other avenues by which it can further develop or receive economic compensation relating to the resources on the Poplar Property. In order to conserve its financial resources, the Company is investigating other avenues, which may provide an economic benefit from the resources at the Poplar Property.
