

NEWS RELEASE

HealthSpace Announces Contract for HSCloud and HSPay with the City of Dallas TX

VANCOUVER, BC – January 11, 2021 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) (CSE:HS) (Frankfurt:38H) (OTCQB:HDSLFL) is pleased to announce a new, five year contract with the City of Dallas Texas. The city will use HSCloud Suite for their environmental health department. The agreement also includes adoption and usage of the Company’s HSPay platform for online payments for its citizens. The total value of the contract is \$482,611. This does not include future revenue generated as part of HSPay.

HealthSpace CEO, Silas Garrison commented “I am very pleased to start 2021 by having Dallas join the HealthSpace family. The inclusion of HSPay is also exciting for us. We are seeing more and more desire in our market to adopt HSPay which becomes a natural extension of our already robust platform.”

HealthSpace Data Systems Ltd.

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 500 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers its government grade technologies to private businesses enabling them to gain visibility and predictability into their own organizations and move from a reactive to a proactive operational status. HealthSpace continues to deliver focused service and innovative solutions to government organizations, while expanding into commercial enterprise verticals to enable new customers with proactive environmental health best practices and policies. HealthSpace has now entered into the FinTech space by creating a payment platform that streamlines the intake of government revenue for the agencies it serves.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", “pipeline”, "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or

obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
