The new dispensary brings expanded access for patients in the growing communities of Central Florida

TALLAHASSEE, Fla., Jan. 21, 2021 /PRNewswire/ - [Trulieve Cannabis Corp.](#) (CSE: TRUL) (OTCQX: TCNNF) ("Trulieve" or "the Company"), a leading and top-performing cannabis company based in the United States, announced today the opening of a brand-new Florida dispensary, the Company's 77th nationwide. The new, 5,100 sq. ft. location marks the Company's first in Summerfield, expanding patient access to Florida's largest and broadest assortment of high-quality medical cannabis products.

The new dispensary supports Trulieve's goal of expanding and ensuring direct, reliable access to medical cannabis across its home state of Florida. It joins the Company's 71 other dispensaries statewide, including those in nearby Ocala and Lady Lake.

"It's exciting to see how far we've come since first opening our Lady Lake location four years ago. It's been an honor to grow with the community of The Villages, and we look forward to celebrating the community for many years to come," said [Trulieve CEO Kim Rivers](#). "We've been fortunate to develop a passionate patient base and our continued growth is due in large part to those relationships. Whether someone is starting their journey towards relief or seeking a new treatment alternative, our well-trained staff is ready to assist patients at every step of the process. We encourage all patients to reach out to find out more."

In honor of the Company's brand-new dispensary, all patients — from those new to Trulieve to the dedicated Truliever community — will be eligible for a 25% in-store discount at the new Summerfield dispensary on Thursday, January 21st. In line with policies adopted statewide, all visitors are required to wear masks for the duration of their dispensary visit. Additionally, only patients and their state-approved caregivers will be allowed inside the waiting room and dispensary at this time.
