## CannAmerica Brands Corp. Provides Statement on the Coronavirus Pandemic

**VANCOUVER, March 20, 2020 - CANNAMERICA BRANDS CORP.** ("CannAmerica" or the "Company") (CSE: CANA) (OTCQB: CNNXF) issued the following statement today regarding the novel coronavirus:

We are truly living in unique times. The coronavirus pandemic is impacting all of us personally and professionally.

Foremost, our thoughts are with those directly affected by the virus, those suffering from the virus and those caring for the sick. We are inspired by our first responders, our healthcare workers, and our industry for continuing to produce and make available cannabis products for medical patients and recreational users in need of wholesome products to reduce anxiety during these extremely uncertain times.

As a company founded by family and friends, it is imperative that we take care of our people. Many of our employees, vendors and partners are dealing with personal chaos. Family first. At the same time, we know that customers and patients rely on CannAmerica products and we are committed to do everything in our power to make our vital products available.

CannAmerica has made a tremendous effort over the course of its 5-year history to ensure that every element of our products is not only made in the USA, but that all ingredients and materials used in our confections and packaging are sourced in the USA. Our vendors have confirmed that as long as they are able, they will provide the products and services needed to manufacture CannAmerica.

We have confirmed with all our partners that they hold the same commitments to the safety of their staff, vendors, and customers. Each has created a modification plan to allow production, sales, and distribution remain intact. Additionally, the governors of each state where CannAmerica products are sold agree with us that cannabis is an essential consumer product.

We continue to monitor the situation and work with our partners to balance what is in the best interest of all. Feel free to drop us a line at any time at [info@cannamericabrands.com](mailto:info@cannamericabrands.com).

We thank you for your continued support.

Sincerely,

Dan Anglin
