

## **Tinley Announces Reliance on Temporary Regulatory Filing Relief**

***FOR IMMEDIATE RELEASE***

***THIS NEWS RELEASE IS NOT FOR  
DISSEMINATION IN THE UNITED STATES OR  
TO U.S. PERSONS.***

LOS ANGELES, California and TORONTO, Canada – April 28, 2020 - The Tinley Beverage Company Inc. (“Tinley” or the “Company”) announces that it intends to rely on the temporary blanket relief (“Relief”) for market participants from certain regulatory filings published by Canadian securities regulators on March 23, 2020 as a result of the COVID-19 pandemic. Accordingly the Company expects to file its audited annual financial statements, annual MD&A and related CEO and CFO certifications for the year ended December 31, 2019 (collectively, the “Annual Financial Disclosure Documents”) in accordance with the Ontario Securities Commission Instrument 51-502 Temporary Exemption from Certain Corporate Finance Requirements and similar relief provided by the British Columbia Securities Commission and the Alberta Securities Commission.

While these instruments provide a 45 day extension, the Company expects to make these filings within two weeks. The officers, directors and other insiders of Tinley are subject to the Company’s Disclosure and Trading Policy and are not permitted to trade shares of Tinley until the Annual Financial Disclosure Documents have been filed and made publicly available.

The Company confirms that the sale of grocery and cannabis products have been deemed “essential services” within California under the State’s “stay at home” orders. All of the Company’s products therefore remain available for sale uninterrupted. Despite the Company’s greatest efforts, the Company is reliant on a broad number of external vendors for much of the information required for its financial filings, which necessitates the additional time required for the filings. However the Company’s product operations remain unaffected. The Company confirms that it has disclosed all material business developments since the date of its last audited annual financial statements, which can be found in the Company’s disclosure record at [www.sedar.com](http://www.sedar.com).
