The Company will use the funds to speed up the company’s VINIA™ marketing program and for general corporate purposes.

About BioHarvest Sciences Inc.

Based in Vancouver BC, BioHarvest Sciences Inc. is the developer and exclusive owner of the proprietary and patent protected Biofarming technology. It is the first and only industrial large-scale plant cell growth technology capable of directly and constantly producing the active plant ingredients without the necessity to grow the plant itself. The technology has been already validated by Vinia, the red grapes cells functional food/dietary supplement produced and sold by BioHarvest. By adapting this technology to the Cannabis plant, and building adequate cells production capacity, BioHarvest Sciences Inc.’s objective is to become the leading supplier of Cannabis for both the medicinal and recreational legal use.
