## **About BioHarvest Sciences Inc.**

BioHarvest Sciences Inc. (CSE: BHSC) (OTCQB: CNVCF) (FSE: 8MV) is a leader in Botanical Synthesis, leveraging its patented technology process to grow the active ingredients in plants, without the need to grow the underlying plant. BioHarvest is leveraging its botanical synthesis technology to develop the next generation of science-based and clinically proven therapeutic solutions within two major business verticals; as a contract development and production organization (CDMO) on behalf of customers seeking complex molecules, and as a creator of proprietary nutraceutical health and wellness products, which includes dietary supplements.
