FlowWorks is a privately held software company that helps its clients analyze and understand all forms of environmental data through a powerful platform of data collection, monitoring, analysis and reporting tools.

To facilitate the transaction, FlowWorks agreed to merge with a Washington State subsidiary (the %Merger Sub+) of the Issuer created solely for this merger, with FlowWorks remaining as the surviving corporation and the separate existence of Merger Sub ceasing at the effective time of the merger and FlowWorks becoming a wholly-owned subsidiary of the Issuer. Each share of common stock in the capital of FlowWorks that is outstanding at the effective time of the merger (other than shares held by a shareholder of FlowWorks who exercises his dissent rights) will be converted into a number of common shares of the Issuer (the %Acquisition Shares+) equal to (i) 8,600,000 divided by (ii) the number of shares of common stock of FlowWorks outstanding immediately prior to the merger.

In connection with the transaction, the Issuer anticipates that it will issue an aggregate of 7,629,397 Acquisition Shares to two shareholders of FlowWorks. In addition, one shareholder of FlowWorks, expected to hold approximately 11% of FlowWorks' shares at the time of merger, has dissented to the transaction. The Issuer agreed to assume any obligation in connection with payment of fair value for such dissenting shares and all expenses in connection with dissenters' rights obligations of FlowWorks.

The Issuer also agreed that at or prior to the closing of the merger, the current directors of the Issuer will appoint at least one nominee by FlowWorks to the board of directors of the Issuer.

The transaction is expected to be completed prior to October 16, 2015, subject to satisfaction of customary closing conditions. If the merger is not completed prior to October 16, 2015, the Agreement will be terminated, unless otherwise extended by the written agreement of Carl and FlowWorks.

In connection with the Agreement, FlowWorks entered into a debt conversion agreement dated September 25, 2015 (the %Debt Conversion Agreement+) with its creditor, Kerr Wood Leidal Associates Ltd. (%KWL+). The Debt Conversion Agreement provides that effective immediately prior to the merger, an aggregate of \$974,562.36 of debts of FlowWorks owed to KWL will be converted into shares of FlowWorks (which shares are anticipated to be converted into 4,815,999 Acquisition Shares in the merger). In addition, KWL agreed to extend the time for

repayment of the remaining debts of FlowWorks in the amount of \$400,000 to 90 days from September 25, 2015.

This transaction and the consideration relating thereto was negotiated over several months at arms-length by unrelated parties.
