2. Acquisition

1. Provide details of the assets to be acquired by the Issuer (including the location of the assets, if applicable). The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the transaction without reference to any other material: The Issuer entered into an agreement with Robinson Media Corp LLC, to acquire a 10% net profits interest in the documentary film 'Food for Thought' in exchange for 561,000 common shares issued at a deemed price of \$0.10. Should the Documentary not be completed for any reason, Robinson agrees to return the 561,000 common shares issued in the transaction to Imagination Park at the request of Imagination Park, in exchange for Imagination Park waiving its rights to receive a 10% net profits interest in the project. At present, The Food for Thought documentary is fully financed through budgeted completion, and is currently in production.

Pursuant to the amended LOI with Triton Films, whereby the Issuer has the option to acquire varying percentages of Triton's interest in any of the 6 feature film projects (see press release dated October 4, 2016 for further details), the Issuer has exercised this right and issued consideration. Based upon the last closing price of the Company's shares, total consideration of \$172,500 was payable and settled through the issuance of 2,300,000 common shares at a deemed price of \$0.075.

Under the terms of the LOI, the Issuer must pay a penalty fee to Triton should a financing not be completed by July 15, 2015. The Issuer did not meet the required deadline and would be required to issue a \$25,000 penalty fee. The Issuer and Triton have agreed to settle the penalty fee through the issuance of 250,000 common shares issued at a deemed price of \$0.10.

Gabriel Napora, the owner of Triton Films and director of Imagination Park, will receive 10 producer's points in a 6th feature film project and he has agreed to assign them to Triton. Pursuant to the LOI, the Issuer has the right to acquire up to 50% of Triton's producer's points by issuing an equivalent of \$52,500 payable in common shares of the Company to Triton. Accordingly, 700,000 common shares were issued to Triton at a deemed price of \$0.075 per share.

Pursuant to the LOI, the Issuer must pay McMillan Strategies a bonus success fee equal to 5% of the value of each of the options which are exercised, amounting to 115,000 common shares. The initial payments made to McMillan Strategies upon the execution of the acquisitions relating to Triton Films will be paid in common shares converted at a price equal to the conversion price of the option share issuance, when and as each option outlined in the LOI is exercised.

2. Provide details of the acquisition including the date, parties to and type of agreement (eg: sale, option, license etc.) and relationship to the Issuer. The disclosure should be sufficiently complete to enable a reader to appreciate the significance of the acquisition without reference to any other material:

The LOI with Triton Films Inc. was entered into on February 9, 2016, and amended on October 4, 2016. Please refer to item #1 above for further information.

Triton is owned by Gabriel Napora, a Director of Imagination Park, therefore, this agreement constitutes a related party transaction. Imagination Park will obtain minority shareholder approval if required to do by Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions. The initial exercise of the Options will not require shareholder approval but if Imagination Park is required to issue securities or pay a sum of money that would result in the fair market value of the transaction being more than 25% of Imagination Park's market capitalization, then Imagination Park will be required to obtain approval from the majority of its minority shareholders. There can be no assurance that the majority of the minority shareholders will approve the transaction.

The completion of the full acquisition of Triton's interests in the feature film projects is subject to a number of conditions, including the payment of cash and/or the issuance of common shares upon the occurrence of certain milestones. Imagination Park is not obliged to acquire the percentages of Triton's interest in the 6 feature film projects outlined above. Furthermore, there is no guarantee that any of the feature film projects will be completed.

(For more information on Triton's ownership and the full option terms associated with each film project, please review the full LOI on Imagination Park's SEDAR profile at www.sedar.com or visit the project ownership summary on the Company's website at www.imaginationpark.com).
