SURREY CAPITAL SIGNS LETTER OF INTENT FOR AN ACQUISITION TRANSACTION

VANCOUVER, BRITISH COLUMBIA – November 2, 2016 – Surrey Capital Corp. (CSE: SYC) (“Surrey Capital” or the “Company”) is pleased to announce that it has entered into a letter of intent (the “LOI”) dated November 2, 2016 with an independent software developer based in Vancouver, Canada (the “Developer”) to acquire all domain names, application source code, website content, documentation, marketing materials, trademarks (if any), and associated goodwill (collectively, the “Assets”) related to bContact. bContact is a cloud-based, easy to use business management solution for small and medium sized organizations that provides integrated customer relationship management, accounting, invoicing, accounts receivable and collections.

Pursuant to the LOI, the acquisition of the Assets (the “Transaction”) will be effected by the Company issuing 2,000,000 common shares (the “Consideration Shares”) to the Developer to acquire all of the Assets. The Consideration Shares will be issued at a deemed price of CAD \$0.03 per share for a deemed aggregate purchase price of CAD \$60,000.

The Consideration Shares will be subject to a statutory hold period expiring four months from the date of issuance.

Concurrently with the closing of the Transaction, the Company, in a separate transaction, intends to close a minimum \$200,000 and up to \$300,000 private placement financing by issuing up to 10 million common shares (the “Financing Shares”) at \$0.03 per share.

The Financing Shares will be subject to a statutory hold period expiring four months from the date of issuance.

The Transaction will be considered a change of business pursuant to CSE Policy 8 and is subject to a number of terms and conditions including due diligence and execution of a formal agreement, as well as meeting CSE listing requirements, obtaining CSE and shareholders’ approval, and compliance with all applicable regulatory requirements and conditions.

The completion of the Transaction is expected to occur following the satisfaction or waiver of the conditions precedent including shareholders’ approval. Each of the Company and the Developer will be responsible for the payment of their own professional fees.

“We are pleased with the progress of this proposed acquisition,” stated James Turner, CEO of Surrey Capital. “Once this acquisition has been completed, Surrey Capital will be able to build a new business with significant upside potential.”
