Vancouver, B.C., November 6, 2017 – Hadley Mining Inc. (CSE: HM) (the “**Company**”) is pleased to announce that, further to its press releases dated June 23, 2017 and August 15, 2017 relating the Company’s proposed acquisition of a private entity (“**SpeakEasy**”) holding an application for a license under *Access to Cannabis for Medical Purposes Regulations* (Canada), the Company has now entered into a formal property purchase agreement under which it will acquire the 290 acre property to which the SpeakEasy’s ACMRP license application relates (the “**Property**”) for aggregate consideration of \$2,000,000 payable in cash. The landowners are a private B.C. company affiliated to SpeakEasy.

As previously announced, the Company will, pursuant to a share exchange agreement dated August 4, 2017 (the “**SPA**”) concurrently acquire 100 percent of the issued and outstanding securities of SpeakEasy in consideration of the issuance of twelve million common shares to the shareholders of the SpeakEasy along with the Property (the “**Transaction**”).

Financing

Further to the Company’s August 15, 2017 press release, the Company has now completed its non-brokered offering of units at a price of \$0.50 per unit (each a “**Unit**”). An aggregate of 22,543,350 units were sold generating gross proceeds of \$11,271,675.00 (the “**Financing**”).

Each Unit comprised one common share and one-half of one common share purchase warrant. Each full warrant (a “**Warrant**”) entitles the holder to purchase an additional common share at the price of \$1.00 per share for one year from date of the Financing close. In the event that the closing price of the Company’s common shares is at or above \$1.50 per share for a period of 10 consecutive trading dates, the Company will have the option to provide notice to the warrant holders in writing or via press release to accelerate the expiry date of the warrants to a date that is 30 days following the date such notice is provided.

The Company paid cash commissions of 7% of gross proceeds received and broker warrants equal in number to 7% the number of Units sold, payable to registrants. Each broker warrant shall have the same terms as the Warrants.

The net proceeds from the Financing will be used for the development of the Company’s proposed business following its acquisition of SpeakEasy and for general working capital purposes.

The securities issued pursuant to the Financing bear a “hold period” in accordance with applicable securities laws expiring four months and one day from date of the Financing close.
