NEWS RELEASE

CASCADIA PROVIDES CLARIFICATION OF COMPANY AFFAIRS

VANCOUVER, B.C. – December 22, 2017 – Cascadia Consumer Electronics Corp. (“Cascadia” or the “Company”) (CSE: CK) advises that it has received a notice from the Canadian Securities Exchange (the “CSE”) that its proposed transition to a blockchain/cryptocurrency company constitutes a fundamental change under CSE Policy 8 and the resulting issuer must qualify for listing under CSE Policy 2. While the Company obtained shareholders’ approval for the proposed change of business, it did not have its information circular reviewed by the CSE and accordingly, the Company’s fundamental change has not been approved by the CSE.

The Company currently is not “a blockchain technology platform developer in the digital asset and cryptocurrency sector” until its application to re-qualify for listing the securities of resulting issuer has been approved by the CSE. The Company intends to file a listing statement with the CSE shortly to obtain approval of the CSE for the proposed fundamental change.

Cascadia is halted and will remain halted until the re-qualification process is completed.
