Webcast: <https://www.benzinga.com/events/virtual-healthcare-summit-2024/>

Registration is mandatory for event participation. For more information, please contact MZ Group at BHSC@mzgroup.us.

About BioHarvest Sciences Inc.

BioHarvest Sciences Inc. (CSE: BHSC) (OTCQB: CNVCF) (FSE: 8MV) is a leader in Botanical Synthesis, leveraging its patented technology process to grow plant-based molecules, without the need to grow the underlying plant. BioHarvest is leveraging its botanical synthesis technology to develop the next generation of science-based and clinically proven therapeutic solutions within two major business verticals; as a contract development and production organization (CDMO) on behalf of customers seeking complex molecules, and as a creator of proprietary nutraceutical health and wellness products, which includes dietary supplements. To learn more, please visit www.bioharvest.com.

Forward-Looking Statements

Information set forth in this news release might include forward-looking statements that are based on management's current estimates, beliefs, intentions, and expectations, and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. All forward-looking statements are inherently uncertain and actual results may be affected by a number of material factors beyond our control. Readers should not place undue reliance on forward-looking statements. BHSC does not intend to update forward-looking statement disclosures other than through our regular management discussion and analysis disclosures.
