TANTALEX WELCOMES NICO SCHOLTZ AS VICE PRESIDENT EXPLORATION

Toronto, Canada / Munich, Germany October 11, 2017 – TANTALEX Resources Corporation (CSE: TTX – FSE: 1T0) (“**TANTALEX**” or the “**Corporation**”), is pleased to announce that Nico Scholtz (Pr. Sci. Nat) is joining Tantalex as Vice President, Exploration.

Mr Scholtz is a geologist with more than 15 years of experience delineating and managing mineral exploration and near production projects in Africa, South America and China. He serves as a Competent - and Qualified Person under the JORC, SAMREC and NI-43-101 codes with sufficient experience in the style, genesis and occurrence of base and precious metals, rare and industrial minerals as well as nuclear fuels, precious stones and fossil fuels in varied geological settings. Nico has experience in managing multiple exploration programs in early and advanced stages as well as using multidisciplinary techniques in mineral exploration. He is proficient in using 2D as well as 3D mineral exploration software for target generation and Resource Estimation modeling.

Nico obtained a M.Sc. degree (2003) in Geology at the University of the Free State, South Africa and was subsequently employed as lecturer and research geologist at the same University (2004 to 2006). During this time, he authored and co-authored multiple scientific papers in peer reviewed journals and book chapters and presented and co-presented numerous oral and poster presentations at local and international scientific conferences. He has consequently been invited as guest speaker to various Scientific Symposiums in South Africa, Namibia and Europe with emphasis on mineral exploration in Africa.

Nico is an accomplished public speaker and has extensive experience in mineral exploration and private event fund raising for various private - and public listed companies in Namibia, Canada and Australia.

Dave GAGNON, Chief Executive Officer commented, “We are happy to have Nico join our team, as he is a very experienced geologist with an in-depth knowledge of working in Africa. His years of experience will be invaluable to us as we continue exploration work on the Buckell Lithium Project and our newly acquired the Kaseka Cobalt property.”
