TANTALEX IS WELCOMED AS A MEMBER BY GLOBAL ORGANIZATION T.I.C.

Toronto, Canada / Munich, Germany October 18, 2017 – TANTALEX Resources Corporation (CSE: TTX – FSE: 1T0) (“**TANTALEX**” or the “**Corporation**”), is pleased to announce that the Company has been accepted as a new member to the *Tantalum-Niobium International Study Center*, more commonly known as T.I.C. Tantalex is the second of only two Canadian companies and the first Canadian Company with holdings in Africa to have this membership, making the Company a pioneer in Africa’s resource sector (Source: TIC website).

T.I.C. membership is composed of companies from the entire niobium and tantalum supply chains, from explorers to miners, traders and processors, through to end users and suppliers of goods and services to the industry. As a member, Tantalex will have the opportunity to liaise with Government and International Organisations on subjects including supply chain due diligence and conflict-free supply chain production, as well providing the opportunity to keep up to date with industry issues, including updates on legislation that could affect the industry, as well as involvement in consultation on these subjects, giving Tantalex networking ability the Company might not have through traditional business networks.

Dave GAGNON, Chief Executive Officer commented, “We are pleased to have been accepted by T.I.C. as a member. It has been a lengthy but well-worth process as this membership not only strengthens our Company’s reputation but also certifies the type of quality product that we will guarantee through future production. We will also benefit from having access to a very important global network of well-respected and influential organizations and individuals.”
