

ISODIOL INTERNATIONAL INC. RELEASES AMENDED FINANCIALS

September 11, 2018 - Vancouver, BC – [Isodiol International Inc.](#) (CSE: [ISOL](#)) (OTCQB: [ISOLF](#)) (FSE: [LB6A.F](#)) (the “Company” or “Isodiol”), announces as a result of a review by the British Columbia Securities Commission, the Company is issuing the following press release to clarify our disclosure.

The Company announces that it has filed revised Audited Annual Financial Statements and managements discussion and analysis (“MD&A”) for the year ended March 31, 2018, as originally filed on July 30, 2018.

Material revisions to the annual financial statements are summarized as follows:

- Included significant accounting policies for Goodwill and Intangible assets;
- Inclusion of the required disclosures surrounding significant acquisitions made during the year to meet the primary requirements of: IFRS 3 *Business Combinations*; IFRS 2 *Share-based payments*; IAS 10 *Events after the reporting period* and IAS 38 *Intangible assets*;;
- Include disclosure over the nature and classification of inventory held by the Company;
- Include disclosure over the terms and components of loans receivable held by the Company;
- Include enhanced disclosure of major classes and dollar values of trademarks held;

The Company notes that the changes did not have an impact over the consolidated statement of financial position, consolidated statement of profit and loss, consolidated statement of cash flows and the consolidated statement of shareholders’ equity.

To meet the requirements of National Instrument 51-102 *Management’s Discussion & Analysis*, the Company has revised and re-filed its MD&A for the year ended March 31, 2018. Material revisions to the MD&A are summarized as follows:

- Removal of any promotional language included in the document;
- The description of business and the Company’s industry;
- Disclosure requirements of companies involved with marketing and distribution of cannabis-based products in the US;
- Forward-looking information in accordance with Item 4A.3;
- Changes to results of operations as required by Item 1.4:
 - Include detailed analysis of revenues, cost of sales and gross profits and by reportable segment;
 - Include greater details over the significant changes relating to consulting fees, advisory fees and use of proceeds from previous filings;
- Increase in the detail and quality of Forth Quarter results as required by Item 1.10;
- Increase disclosures surrounding related party transactions in accordance with Item 1.9;

The Company also wishes to retract and clarify the following statement as previously disclosed in the Company’s March 1, 2018 news release, as follows:

Press release title	Retraction	Comments
Isodiol International Inc. Reports Profitable Q3 financial statements	"[the Company] reports unaudited Q3 revenues for the period ended December 31, 2017 of \$5.89 million CDN a for net operational profit of \$202,254 CDN"	Management notes that <i>net operational profit</i> does not have a standardized meaning under IFRS. The sentence should be understood to mean: "[the Company] reports unaudited Q3 revenues for the <i>three months</i> ended December 31, 2017 of \$5.89 million CDN and <i>income from operations for the three months ended December 31, 2017</i> of \$202,254 CDN"
