NEWS RELEASE

GLOBAL HEALTH CLINICS AND ONE OF CANADAS TOP 3 LARGEST LICENSED PRODUCERS PARTNER ON PATIENT ACQUISITIONS FOR HEALTH CANADA PATIENTS

September 28, 2018 - Global Health Clinics Ltd. (the “Company”) (CSE: MJRX) (Frankfurt: L002) and one of Canada's top 3 largest Licensed producer have established a patient partnership across Canada, in which Global Health Clinics and Licensed producer will work together in adding patients under the ACMPR system.

The licensed producer located on Vancouver Island will provide dedicated staff members not just throughout British Columbia but nationally to educate and support the staff Global Health Clinics when talking to patients and issuing ACMPR licences during business hours. Further the Licensed producer will give Global Health Clinic patients priority processing/onboarding, allowing them to order instantaneously, significantly decreasing patient processing/ordering time.

Global Health Clinics will work with this producer as its Premium LP giving patients a 10 percent discount on its first purchases.

"I'm very pleased to announce this patient partnership with the one of largest LP's in Canada. I think together we will have great success in converting patients over to the ACMPR system. With our nationwide clinic base and this Licensed producer nationwide, brand recognition it is a partnership between two of Canadas premiere cannabis companies. As cannabis becomes recreational in Canada we feel the medical side of cannabis will continue to be a huge portion of the overall market similar to Washington and Colorado due to health care benefits and cost benefits, and we will continue to expand and develop our clinic model and base." States Terry Roycroft - CEO

Global Health Clinics Ltd.

Forward-Looking Information This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Leo Resources Inc. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or

"should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
