NEWS RELEASE

**GLOBAL HEALTH CLINICS COMPLETES ROUND OF SIGN UPS TO TOP 3 LARGEST LP
AND LP OF THE MONTH**

October 10, 2018 - Global Health Clinics Ltd. (the "Company") (CSE: MJRX) (Frankfurt: L002) through its wholly owned subsidiary Medicinal Cannabis Resource Center (MCRCI) is pleased to announce it has signed up its first round of patients to its Premium Licensed Producer of Medical Cannabis for Medical Purposes ("LP"), initiating an agreement between the LP and Global Health Clinics. This is an important milestone for the Company as it successfully ramps up its acquisition of patients and referral services. Global Health Clinics anticipates a steady flow of patients from clinic to LP. Patients will receive expedited service and priority pricing when signed up through Global Health Clinics.

"As Canada's adult-use recreational cannabis market opens up in the coming weeks, we are proud to be at the forefront of the medicinal cannabis industry, working hand in hand with some of the largest cannabis companies in the country, ensuring that we educate Canadians on the medical benefits of Cannabis and making it readily accessible. With the continued expansion of clinics and ramping up of our marketing services, our team is executing our plan and deliver medicine to the many ailing Canadians to cannabis. States CEO Terry Roycroft.

***Forward-Looking Information** This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Leo Resources Inc. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-*

looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
