

CROP'S WASHINGTON 'THE PARK' BEGINS HARVESTING

October 25th, 2018 - VANCOUVER, BRITISH COLUMBIA - CROP INFRASTRUCTURE CORP. (CSE: CROP) (OTC: CRXPF) (Frankfurt: 2FR) announced today that its tenant has begun harvesting at the greenhouse complex known as 'The Park', situated in Wheeler Park, Washington State.

The Park's 35,000 square foot cannabis greenhouse recently underwent a complete retrofit for hydroponic automation and the addition of 500 Gavita HPS grow lights. It has five flowering bays and is sited on nine acres with full scale production estimated at approximately 12,000 pounds of high-quality cannabis annually (about 1,000 pounds per month). The operating costs are about \$50,000 (U.S.) per month.

CROP CEO, Michael Yorke, stated: "CROP now has tenant harvests underway in two states, Washington and Nevada. Inventories are accumulating in California, and tenants are accepting bids from potential distributors and buyers to be sold under CROP Brands. Production levels are on target as are costs and we look forward to a strong finish to the year."

About CROP

Crop Infrastructure Corp. is publicly listed on the Canadian Securities Exchange and trades under the symbol "CROP" and in the US under the symbol "CRXPF". CROP is primarily engaged in the business of investing, constructing, owning and leasing greenhouse projects as part of the provision of turnkey real estate solutions for lease-to-licensed cannabis producers and processors offering best-in-class operations. The Company's portfolio of projects includes cultivation properties in California, two in Washington State, a 1,000-acre Nevada Cannabis farm, a 1,865 acre CBD farm, extraction in Nevada with international focuses in Jamaica and Italy and a joint venture on West Hollywood and San Bernardino dispensary applications.

CROP has developed a portfolio of assets including Canna Drink, a cannabis infused functional beverage, US and Italian distribution rights to over 55 cannabis topical products and a portfolio of 16 Cannabis brands.

Disclaimer for Forward-Looking Information

Certain statements in this press release are forward-looking statements and are prospective in nature. Forward-looking statements are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. In addition, marijuana remains a Schedule I drug under the United States Controlled Substances Act of 1970. Although Congress has prohibited the US Justice Department from spending federal funds to interfere with the implementation of state medical marijuana laws, this prohibition must be renewed each year to remain in effect. These statements generally can be identified by the use of forward-looking words such as "may", "should", "could", "intend", "estimate", "plan", "anticipate", "expect", "believe" or "continue", or the negative thereof or similar variations. Forward-looking statements in this news release include statements regarding the expected yield from The Nevada Property; the technological effects of The Nevada Property on production; the intention to expand its portfolio; and execute on its business plan. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding the regulatory and legal framework regarding the cannabis industry in general among all levels of government and zoning; risks associated with applicable securities laws and stock exchange rules relating to the cannabis industry; risks associated with maintaining its interests in its various assets; the ability of the Company to finance operations and execute its business plan and other factors beyond the control of the Company. Such forward-looking statements should therefore be construed in light of such factors, and the Company is not under any obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
