PRESS RELEASE

Dan Wasyluk to Speak at Blockchain Expo North America 2018 in Silicon Valley

THIS NEWS RELEASE IS INTENDED FOR DISTRIBUTION IN CANADA ONLY AND IS NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR RELEASE, PUBLICATION OR DISSEMINATION, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES.

Toronto, ON – November 22, 2018: Blockchain Foundry Inc. (“BCF” or the “Company”) (CSE:BCFN)(FWB:8BF)(OTC:BLFDF) is pleased to announce that Dan Wasyluk, CEO of BCF and co-founder of Syscoin, has been selected to speak at the Blockchain Expo North America 2018 at the Santa Clara Convention Center in Silicon Valley.

The BCF team will be present at booth 749 to meet with conference participants and Mr. Wasyluk will be speaking at a panel discussion regarding the role of “Blockchain within the corporate business model” on November 28th, 2018 at 10:20AM PST.

“BCF focuses on leveraging blockchain technology to improve business processes and efficiencies. I am excited to share our work on business blockchain implementations with a Silicon Valley audience,” said Mr. Wasyluk.

With over 15 years of enterprise software development experience, Mr. Wasyluk first became involved with blockchain technology in 2013. In August 2014 he helped launch the Syscoin public blockchain and co-founded BCF in 2016. Dan is an entrepreneur with a rich technical background and has helped found multiple technology companies.

About Blockchain Foundry Inc:

Blockchain Foundry develops and commercializes blockchain-based business solutions and provides consulting services to corporate clients seeking to incorporate blockchain technology into their businesses.

Forward-Looking Information

Certain portions of this press release contain “forward-looking information” within the meaning of applicable Canadian securities legislation, which is also referred to as “forward-looking statements”, which may not be based on historical fact. Wherever possible, words such as “will”, “plans,” “expects,” “targets,” “continues”, “estimates,” “scheduled,” “anticipates,” “believes,” “intends,” “may,” “could,” “would” or might, and the negative of such expressions or statements that certain actions, events or results “may,” “could,” “would,” “might” or “will” be taken, occur or be achieved, have been used to identify forward-looking information.

Forward-looking statements should not be read as guarantees of future events, future performance or results, and will not necessarily be accurate indicators of the times at, or by which, such events, performance or results will be achieved, if achieved at all. Readers should not place undue reliance on such forward-looking statements, as they reflect management’s current views with respect to future events and are subject to risks and uncertainties and are necessarily based upon a number of estimates and assumptions that, while considered reasonable by BCF are inherently subject to significant business, economic, regulatory, competitive, political and social uncertainties, and contingencies. Many factors could cause BCF’s actual results, performance or achievements to be materially different from any future results, performance, or achievements that may be expressed or implied by such forward-looking statements.
