VANCOUVER, BRITISH COLUMBIA / December 10, 2018 / **Abattis Bioceuticals Corp** (the “**Company**” or “**Abattis**”) (CSE:ATT) (OTC:ATTBF) is pleased to announce that the Company will be displaying a booth at the O'Cannabiz Conference and Expo taking place at Parq Casino in Vancouver, BC on December 10-11th, 2018 (“**O'Cannabiz**”).

O'Cannabiz will address key cannabis investment themes, emerging opportunities in the developing Canadian market, as well as significant trends and developments in the cannabis industry, from consumers to businesses. Abattis' Corporate Communications representative Mr. Jonathan Danieli will be available to meet for one-on-one discussions with institutional investors throughout the day along with selected members of Abattis' senior management including the Company's recently appointed Chief Operations Officer Mr. Patrick Mitchell, who will be available on December 11th, 2018.

“Abattis is excited to engage in one-on-one discussions with the public investment community as the feedback and commentary that will be received is very important, both from an investor's perspective as well as from a company perspective. Abattis has big plans for 2019 as the Canadian adult recreational market continues to mature and grow, and our many stakeholders continue to watch the Company's growth very closely” stated Mr. Mitchell. “With incredibly volatile market conditions, it's important for our management and staff to seize opportunities such as O'Cannabiz to create and foster personal connections and to have meaningful conversations to ensure our stakeholders are kept up to date with the progress of the Company.”

During the conference, investors and other interested parties will have a chance to get an inside look at the developments and progress of the Company's wholly-owned subsidiary, Gabriola Green Farms Inc.'s greenhouse facilities located on Gabriola Island, BC, as well as to have an opportunity to view and purchase the Company's other various products including its full vaporizer line, its newly launched cannabinoid-infused nutraceutical, Comfort, and its newly acquired fertilizer line of products through NutriVida Corp.
